

# BOO TOY CLEANER

**BOO toy cleaner** is specially designed for an extra hygienic cleaning of erotic toys.

The formula of **BOO toy cleaner** contains thorough cleaning properties, but does not affect the structure of the sex toys and can comfortably be used again.

## How does the product work?

The handy packaging makes the cleaner easy to dose. Bring a few applications onto the erotic toys, depending on the size of the surface to be cleaned. Let the cleaner work for a few minutes and if required, rinse it off. Provides a thorough cleaning and maintains the quality of erotic toys.

Contains: < 5% - Non-ionic surfactants - Anionic surfactants ; Methylchloroisothiazolinone, Methylisothiazolinone
