

BOO WATERBASED LUBRICANT FLAVOURED

BOO water based lubricant flavored is an intimate lubricant that ensures natural pleasure thanks to the unique gliding texture.

This intimate lubricant has a hydrating and moisturizing effect. It gives more comfort during sexual activities and complements the natural body moisture which makes the sexual intercourse more intense.

BOO water based lubricant flavored ensures more erotic pleasure for both partners. This lubricant can also be used in combination with latex condoms.

How does the product work?

Apply a desired amount of the lubricant onto the selected body parts and spread it onto the skin. The water based formula gives the product a light and easy spreadable texture, which is neutral to the skin. This lubricant creates a soft and comfortable feeling during use.

A water-based formula like this will be largely absorbed by the skin over time. Apply extra lubricant during use if desired to ensure a continuous pleasurable gliding. This lubricant can be easily washed off if necessary.
