REALSTUFF 7INCH ROTATING VIBRATOR 7FUNCT

This realistic vibrating cock with a straight penis design has a life like look and feel, with soft skin, a glans, veins and a scrotum. The balls are so realistic that they look and feel just like the real thing. With its perfect combination of rigidity the dildo can provide maximum real feel pleasure. The 7 different rotation functions can be operated with the wired remote control. Thanks to the strong suction cup base it will stay firmly in position on any flat smooth surface enabling hands free and solo action. The size of 7 inch (17.8 cm) is practical and suitable for most users, also beginners.

The RealStuff label brings you lifelike products, all made with an eye for detail, all with the DreamToys quality and at affordable prices. This collection features realistic masturbators, dildos and vibrators, made for experiences that are even better than the real thing. Value for money for maximum pleasure.
