## BLAZE CLITORIS SCISSORS

A pair of clitoris scissors is a perfect accessory for medical role play. Place the scissors on the clitoris or nipple for intense stimulation. The scissors have fine grooves at the tip to intensify pain. The scissors can be locked at the desired level of squeeze and can be quickly released for safety.

Let your imagination take you beyond your limits with Blaze Luxury Fetish BDSM products, one of the special labels in the Tonga DreamToys product lines. Good quality products at affordable prices is what DreamToys stands for. This line features an array of bondage products, designed for comfort, and real value for money.
