

BOO ERECT CREAM MEN 50ML

BOO Erect cream makes an erection stronger, thicker and firmer. This cream contains a unique combination of natural ingredients, which stimulate the blood circulation and support the function of the erectile tissue.

BOO Erect Cream help the penis to reach its maximum thickness and strength.

The product is convenient and efficient in use thanks to the user-friendly packaging.

The cream is developed based on natural plant extracts, including Ginkgo Biloba. The working components of Ginkgo Biloba provide a better blood flow to the male genitals and therefore have a positive effect on the erection.

The nourishing properties of Sweet Almond Oil, Shea Butter, Jojoba Seed Oil and Arnica Montana improve the flexibility of the skin and support a sustained erection.
