

GP DATEX SEXY POLICE COSTUME BLUE

A police costume from the Guilty Pleasure Fetish Wear collection for lovers of role play and uniforms, made of blue Datex. The set contains a body suit with a collar and short sleeves, a belt and a matching cap. The police suit closes at the back with a zipper, has black and red accents and black epaulettes. There are drawstrings on both hips to make the suit fit tightly and for an extra sexy look. The black belt has a metal buckle and metal enforced holes.

Datex is a revolutionary material made of natural rubber latex, printed on an elastic knitted fabric. The result is a very stretchable material with the looks and touch of latex on the outside and the softness and comfort of the stretchy fabric on the inside.

Datex is comfortable to wear, it has that exciting look of latex, but not the disadvantage of being sticky and sweaty. It is easy to put on or take off without any additional dressing aids or conditioners. Datex provides great comfort, softness and flexibility, and at the same time the fetish look and touch that make latex so unique and appreciated.
