

GP CATSUIT WITH ZIPPER AT THE BACK

This Guilty Pleasure catsuit, made of red Datex, has long sleeves and a collar. It closes with a zipper at the back. Thanks to the unique properties of Datex it has that latex look, tight and shiny, but without the sticky sweatiness. The stretchy inner fabric slides well over the skin and makes the catsuit easy to put on or take off.

Datex is a revolutionary material made of natural rubber latex, printed on an elastic knitted fabric. The result is a very stretchable material with the looks and touch of latex on the outside and the softness and comfort of the stretchy fabric on the inside.

Datex is comfortable to wear, it has that exciting look of latex, but not the disadvantage of being sticky and sweaty. It is easy to put on or take off without any additional dressing aids or conditioners. Datex provides great comfort, softness and flexibility, and at the same time the fetish look and touch that make latex so unique and appreciated.
