

GP DATEX CATSUIT WITH ZIPPER ON THE BUST

This tight shiny black catsuit made of Datex has short sleeves and a collar. It closes with a front zipper. The special details that make this Guilty Pleasure Datex catsuit a very exciting item are the seductive nipple openings with vertical 2-way zippers.

Datex is a revolutionary material made of natural rubber latex, printed on an elastic knitted fabric. The result is a very stretchable material with the looks and touch of latex on the outside and the softness and comfort of the stretchy fabric on the inside.

Datex is comfortable to wear, it has that exciting look of latex, but not the disadvantage of being sticky and sweaty. It is easy to put on or take off without any additional dressing aids or conditioners. Datex provides great comfort, softness and flexibility, and at the same time the fetish look and touch that make latex so unique and appreciated.
