

GP DATEX SERGEANT JACKET

This black Datex sergeant jacket is perfect for role play and for everybody who loves the look of latex and uniforms. The tightly fitting jacket with long sleeves has every detail it needs for that distinct military but sexy appearance. The yellow rank stripes, the collar that closes with 2 snap buttons, the open front, and the front closure with 3 small straps and snap buttons. Combine this black and yellow sergeant jacket with the yellow mini dress from the Guilty Pleasure Fetish Wear collection to complete the outfit.

Datex is a revolutionary material made of natural rubber latex, printed on an elastic knitted fabric. The result is a very stretchable material with the looks and touch of latex on the outside and the softness and comfort of the stretchy fabric on the inside.

Datex is comfortable to wear, it has that exciting look of latex, but not the disadvantage of being sticky and sweaty. It is easy to put on or take off without any additional dressing aids or conditioners. Datex provides great comfort, softness and flexibility, and at the same time the fetish look and touch that make latex so unique and appreciated.
