

GP DATEX DOMINATRIX JACKET

This black Datex jacket is perfect for role play and for everybody who loves the look of latex and a dominant appearance. This dominatrix jacket has long puffed sleeves, a collar with ruffled details that closes with 2 snap buttons, and a small front opening for a sneak peek at the cleavage. Narrower at the waist, a bit wider at the hem, this jacket is the ultimate dominatrix jacket, which combines great with a pencil skirt or hotpants from the Guilty Pleasure Fetish Wear collection.

Datex is a revolutionary material made of natural rubber latex, printed on an elastic knitted fabric. The result is a very stretchable material with the looks and touch of latex on the outside and the softness and comfort of the stretchy fabric on the inside.

Datex is comfortable to wear, it has that exciting look of latex, but not the disadvantage of being sticky and sweaty. It is easy to put on or take off without any additional dressing aids or conditioners. Datex provides great comfort, softness and flexibility, and at the same time the fetish look and touch that make latex so unique and appreciated.
