nsnovelties.com

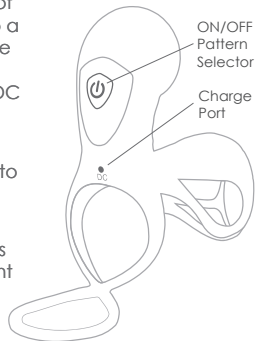

CHARGE

* Insert the USB end of the power cable into a USB port. Connect the needle end of the power cable to the DC port located on the harness.

* The LED lights blink to indicate when the product is charging.

When the Gladiator is fully charged, the light will stop blinking.

DO NOT operate the Gladiator while charging. Disconnect power cable when not being charged. Please use the power cable included in this package with a high quality USB adapter.

PLAY

* Press and hold the ON/OFF Button on your Gladiator for 1.5 seconds to power on.

* To change the vibration pattern, press the ON/OFF Button. There are 10 different patterns for you to explore.

* Press and hold the ON/OFF Button for 1.5 seconds to turn the power off.

Playing with Remote

* After turning on the Gladiator, press and hold down the power button on your remote. Press the pattern selector button to change vibration pattern.

* To turn off the toy, press and hold down the ON/OFF Button for 1.5 seconds on the remote.

CARE

* Turn off your Gladiator when not in use.

* Wash after each use with liquid anti-bacterial soap and water.

* Pat dry with soft, cotton towel and allow to air dry completely.
