CHARGING INSTRUCTIONS

This vibrator arrives with a partial charge of about half capacity and may be used immediately, directly out of the box.

To charge, connect the USB plug into the USB port of your computer or other output and the double magnetic prong end of the DC charger into input at base of toy.

Initial charge will take about 2 hours, and subsequent charges will also take about 2 hours to complete.

The indicator light will flash while device is charging and remain solid when toy is fully charged. There is no danger of battery damage by overcharging, but it's recommended not to overcharge for long periods of time.

Charge lasts for about 50 minutes of play time on the lowest level of vibration, and about 30 minutes on the highest level.

This toy operates at a sound level of less than 50db with a rechargeable lithium battery at 3.7V.

INSTRUCTIONS FOR USE

This toy has a convenient 1-button control at its base, and on the remote control. The instructions below are for both toy and remote button.

To turn toy on, press the Power Button for at least 2 seconds. The light on toy will turn on and toy will begin thumping at its first lowest frequency.

Once the toy is on, press the Power Button again, a single time for each new speed or function for a total of 7.

To turn toy off, press Power Button for at least 2 seconds.
