

PLAYBOY

Pleasure

Product Specifications:

Material: Body-safe Silicone, Phthalate & Latex free

CARE INSTRUCTIONS

1. Compatible with Playboy Pleasure – Slick: H2O lubricant as well as other water-based lubricants. Avoid use with silicone or oil-based lubricants as it will degrade the material overtime.
2. Clean your toy after every use with Playboy Pleasure – Clean: Foaming Toy Cleaner and a warm water rinse. Dry thoroughly before storage. Avoid prolonged exposure to sunlight and extreme heat.
3. Store your toy in a cool, dry place separated from other toys, as toy materials sometimes react chemically with each other.
