BIGSTUFF 7.5INCH BLACK

A realistic black dildo with a firm scrotum, which is a perfect handle for masturbation or partner play. The shaft has distinct veins, which makes lube stick longer to the dildo and for a lifelike look, touch and experience. Thanks to the strong suction cup base it will stay firmly in position on any flat smooth surface enabling hands free masturbation. Made of non-toxic PVC that doesn't smell, easy to clean and hypoallergenic. The 10 powerful whisper quiet multi speed vibrations can be operated with the easy to use wired controller. Requires 2x AAA batteries, not included.

The Bigstuff label brings you lifelike, big sized products, all with the DreamToys quality and at affordable prices. This collection features dildos and dongs, made with an eye for detail and bigger than usual dimensions. Value for money for those who find that size does matter.
