

DREAM TOYS DUAL DENSITY SILICONE DILDO

The Ultra Realistic Dildo has a firm inner core with a softer, lifelike outside. This is called Dual Density and it adds to the experience when using this toy: penetration will feel like it's the real thing! The veins, glans and scrotum also contribute to this experience. The dildo has a suction cup base, so that it will stick firmly to any smooth surface, very convenient during solo play.

Dimensions: diameter 4.1 cm, length 20 cm.
