

## MENZSTUFF VIBR. CRAYFISH PENIS SLEEVE

The vibrating Crayfish is a cock cage that can enhance the erection. The four rings are made of soft TPE and super stretchy. They will prevent blood flowing back from the penis and will delay ejaculation. The single speed vibrating bullet can be inserted in a special pocket on the sleeve, and will arouse both partners.

The Menzstuff label brings you quality products for male masturbation and anal play, all with the DreamToys quality, at affordable prices. This collection features plugs and probes, beads and rings, sleeves and pumps, and offers value for money for men who like to explore all their hot spots.
