

DREAM TOYS 10-SPEED CRYSTAL CURIOSITY

The Crystal Curiosity is a firm sleek vibrator in a bright colour with 10 vibration patterns. The power and function button are at the base of the toy, with silver coloured accents. Made of body safe silicone, the toys' outside is very soft to the touch. A special feature of this vibrator is that it has low noise properties. The powerful motor will do its work rather quietly: very useful for sensual moods.

Press and hold the power button for 3 seconds to turn the unit on/off. Press the function button to switch vibration programs.

Dimensions: diameter 3.5 cm, length 22.0 cm.
