## DREAM TOYS 10-SPEED MIDNIGHT MAGIC

The Midnight Magic is a firm rabbit vibrator in a bright colour. With its ridges on the shaft and the soft bunny ears, it is a toy that will stimulate the hot spots really well. The Midnight Magic offers 10 vibration patterns. The power and function button are at the base of the toy, with silver coloured accents. Made of body safe silicone, the toys' outside is very soft to the touch. A special feature of this vibrator is that it has low noise properties. The 2 powerful motors will do their work rather quietly, which is very useful for sensual moods.

Press and hold the power button for 3 seconds to turn the unit on/off. Press the function button to switch vibration programs.

Dimensions: diameter 3.5 cm, length 22.0 cm.
