

The 21,3 cm long Honey Dip has a rather large clitoris stimulator and a smooth shaft with a diameter of 3,6 cm. The 2 powerful motors offer 9 different functions. Each function makes the indicator light shine in its own colour. This way it is easy to distinguish between the different vibrations. Recognize your favourite function by the light that can shine in 9 different colours.

FEATURES

- Rechargeable duo-vibrator
- · 2 Powerful motors
- 9 Vibration patterns
- Flexible clitoral stimulator
- · Light indicates vibration pattern
- Waterproof
- · Rechargeable, USB-cable included
