

RED REVOLUTION EROS

The Eros couple vibrator is super versatile. Couples can use this toy in so many ways and integrate a the couple vibe in many different positions. They can use it together during loving making or solo for masturbation and it can stimulate all the sensitive body parts. Eros comes with an easy to use remote control and a user manual. The toy is magnetic USB-rechargeable and has 2 motors that can be operated separately or simultaneously. One motor drives the vibrations in the two arms, the other one is in the base of the toy. Each motor has its own button and 12 vibration modes. The remote control has a start/pause button and plus and minus buttons to switch vibrations
