BLAZE BED RESTRAINT SET

A bed restraint set with wrist and ankle cuffs. Simply slide the straps under the bottom of your mattress either from top to bottom or side to side to customize your bondage play. The straps can be adjusted to the size of the bed with the plastic buckles. The cuffs are made of fake fur, soft and fluffy, and comfortable to wear, with Velcro closures. The cuffs attach to the O-rings of the bed straps with convenient musketon hooks. A restraint set is a great BDSM tool, but use it with care and never leave a bound person unattended.
