BOO SILICONE LUBRICANT WARMING 50ML

BOO silicone based lubricant Warming is an intimate lubricant with a unique gliding texture that ensures natural pleasure. The BOO Silicone Warming Lubricant provides more comfort during sexual activities. It does not get absorbed by the skin thanks to the silicone-based texture.

BOO Warming Lube, for long-lasting pleasurable gliding and silky feeling. The pleasant warming effect on the skin guarantees even more excitement.

The gel-like silicone-based formula gives this product a light and easy spreadable texture, which is neutral to the skin. This lubricant creates a silky and comfortable feeling during use, and lasts long without needing reapplication.

A silicone based lubricant does not get adsorbed by the skin thanks to the silicone based texture, which causes a long-lasting pleasurable gliding and silky feeling.

Silicone based lubes are great for shower and underwater sex.

BOO Silicone based lubricants can also be used in combination with latex condoms, and with toys made of metal, glass, wood, stone, ceramic and ABS plastic. Do not use with silicone toys.

Silicone based lubricants don't smell or leave a sticky feeling on the skin once they are wiped off.
