BOO SILICONE LUBRICANT NEUTRAL 150ML

BOO silicone lube neutral is an intimate lubricant with a unique gliding texture that is especially formulated for long lasting enjoyment. The BOO Silicone Lubricant Neutral does not get absorbed by the skin thanks to the silicone-based texture. BOO silicone lube is great for long-lasting pleasurable gliding with a silky feeling, which makes the sexual intercourse more intense.

The gel-like silicone-based formula gives this product a light and easy spreadable texture, which is neutral to the skin. This lubricant creates a silky and comfortable feeling during use, and lasts long without needing reapplication.

Silicone lubes don't smell or leave a sticky feeling on the skin once they are wiped off.

A silicone lube does not get adsorbed by the skin thanks to the silicone based texture, which causes a long-lasting pleasurable gliding and silky feeling.

Silicone lubes are great for shower and underwater sex.

BOO Silicone lubricants can also be used in combination with latex condoms, and with toys made of metal, glass, wood, stone, ceramic and ABS plastic. Do not use with silicone toys.
