

GP DATEX SUSPENDER BELT AND STRING

A set of a Datex suspender belt and a matching string. The suspender belt has adjustable elastic straps with metal clips and an elastic waist band. The G-string has elastic straps as well. This set combines wonderfully with a bra or top from the Guilty Pleasure Fetish Wear collection.

Datex is a revolutionary material made of natural rubber latex, printed on an elastic knitted fabric. The result is a very stretchable material with the looks and touch of latex on the outside and the softness and comfort of the stretchy fabric on the inside.

Datex is comfortable to wear, it has that exciting look of latex, but not the disadvantage of being sticky and sweaty. It is easy to put on or take off without any additional dressing aids or conditioners. Datex provides great comfort, softness and flexibility, and at the same time the fetish look and touch that make latex so unique and appreciated.
