

GP DATEX SUSPENDER BELT STOCKINGS

Datex suspender stockings with attached suspender belt in shiny black. The waist band is elastic. The foot soles of the stockings are made of knitted fabric. Combine the suspender belt stockings with a top or bra from the Guilty Pleasure Datex collection to make a stunning set. Much easier to put on or take off than latex, thanks to the stretchy nature of Datex and the soft elastic fabric inside that slides over the skin easily. No powdering needed, and comfortable to wear.

Datex is a revolutionary material made of natural rubber latex, printed on an elastic knitted fabric. The result is a very stretchable material with the looks and touch of latex on the outside and the softness and comfort of the stretchy fabric on the inside.

Datex is comfortable to wear, it has that exciting look of latex, but not the disadvantage of being sticky and sweaty. It is easy to put on or take off without any additional dressing aids or conditioners. Datex provides great comfort, softness and flexibility, and at the same time the fetish look and touch that make latex so unique and appreciated.
