

GP DATEX BIKINI SET GREEN

Not afraid to attract some attention? Wear this green bikini set from the Guilty Pleasure collection, made of Datex material. With its bright green colour it is a real eye catcher. The shiny latex on stretchable knitted fabric makes it look stunning, and feeling soft to the skin. The tanga slip has a clip closure on each hip, the bikini top has triangle cups and string ties.

Datex is a revolutionary material made of natural rubber latex, printed on an elastic knitted fabric. The result is a very stretchable material with the looks and touch of latex on the outside and the softness and comfort of the stretchy fabric on the inside.

Datex is comfortable to wear, it has that exciting look of latex, but not the disadvantage of being sticky and sweaty. It is easy to put on or take off without any additional dressing aids or conditioners. Datex provides great comfort, softness and flexibility, and at the same time the fetish look and touch that make latex so unique and appreciated.
