

GP SHORT DRESS WITH CLEAVAGE

This mini dress from the Guilty Pleasure Fetish Wear collection has short sleeves, optical waist lines and a round cleavage, making every woman wearing it a stunning appearance. The black shiny Datex material adds to it with its tight latex look. The zipper at the back and the soft knitted fabric inside the mini dress make it easy to put the short dress on and comfortable to wear.

Datex is a revolutionary material made of natural rubber latex, printed on an elastic knitted fabric. The result is a very stretchable material with the looks and touch of latex on the outside and the softness and comfort of the stretchy fabric on the inside.

Datex is comfortable to wear, it has that exciting look of latex, but not the disadvantage of being sticky and sweaty. It is easy to put on or take off without any additional dressing aids or conditioners. Datex provides great comfort, softness and flexibility, and at the same time the fetish look and touch that make latex so unique and appreciated.
