

## GP DATEX PENCIL SKIRT

A stunning red pencil skirt, made of Datex, with a walking slit at the back and a black stripe on the right side. The knee long design and the elastic waist band make it fit tightly around the body. This pencil skirt combines perfectly with a Datex top or sergeant jacket from the Guilty Pleasure Fetish Wear collection.

Datex is a revolutionary material made of natural rubber latex, printed on an elastic knitted fabric. The result is a very stretchable material with the looks and touch of latex on the outside and the softness and comfort of the stretchy fabric on the inside.

Datex is comfortable to wear, it has that exciting look of latex, but not the disadvantage of being sticky and sweaty. It is easy to put on or take off without any additional dressing aids or conditioners. Datex provides great comfort, softness and flexibility, and at the same time the fetish look and touch that make latex so unique and appreciated.
