

GP DATEX HOTPANTS

This pair of fiery red hotpants, made of Datex material, has a waist band with belt loops, and an extra seam at the middle of the back to make it fit perfectly. The hotpants are closed with a snap button and a zipper at the front. Red hotpants match greatly with a top, bra or jacket from the Guilty Pleasure Datex collection.

Datex is a revolutionary material made of natural rubber latex, printed on an elastic knitted fabric. The result is a very stretchable material with the looks and touch of latex on the outside and the softness and comfort of the stretchy fabric on the inside.

Datex is comfortable to wear, it has that exciting look of latex, but not the disadvantage of being sticky and sweaty. It is easy to put on or take off without any additional dressing aids or conditioners. Datex provides great comfort, softness and flexibility, and at the same time the fetish look and touch that make latex so unique and appreciated.
