

## GP DATEX SERGEANT JACKET

This grey and black Datex sergeant jacket is perfect for role play and for everybody who loves the look of latex and uniforms. This tightly fitting jacket with long sleeves has every detail it needs for that distinct military appearance. The black stripes at the cuffs of the sleeves, the collar, the black epaulettes and the 5 belts with metal buckles at the front, they all add to that strict and dominant look. This jacket closes at the back with a zipper, from the bottom up. Combine the tight Datex sergeant jacket with a skirt or pants from the Guilty Pleasure Fetish Wear collection to complete the outfit. Especially the black and grey trousers with crotch zipper are a perfect match for this jacket.

Datex is a revolutionary material made of natural rubber latex, printed on an elastic knitted fabric. The result is a very stretchable material with the looks and touch of latex on the outside and the softness and comfort of the stretchy fabric on the inside.

Datex is comfortable to wear, it has that exciting look of latex, but not the disadvantage of being sticky and sweaty. It is easy to put on or take off without any additional dressing aids or conditioners. Datex provides great comfort, softness and flexibility, and at the same time the fetish look and touch that make latex so unique and appreciated.
