

GP DATEX & FISHNET TEDDY

This Datex body in shiny black has fishnet panels on the hips. For tight fitting, the body has an elastic hem on the back and at the arm pits, extra seams and wide, adjustable, elastic shoulder straps that are crossed at the back. Combinable with lots of other items from the Guilty Pleasure collection such as pants, skirts and jackets, for the most wonderful outfits.

Datex is a revolutionary material made of natural rubber latex, printed on an elastic knitted fabric. The result is a very stretchable material with the looks and touch of latex on the outside and the softness and comfort of the stretchy fabric on the inside.

Datex is comfortable to wear, it has that exciting look of latex, but not the disadvantage of being sticky and sweaty. It is easy to put on or take off without any additional dressing aids or conditioners. Datex provides great comfort, softness and flexibility, and at the same time the fetish look and touch that make latex so unique and appreciated.
