

GP DATEX WIDE SKIRT MINI DRESS

This Datex mini dress has a wide flared skirt and a tight horizontal body part, on which the halterneck cups are attached. The dress has a zipper in the left side which makes it easy to put the dress on or take it off. A mini dress from the Guilty Pleasure collection that emphasizes the female curves by its unique combination of design with shiny black Datex.

Datex is a revolutionary material made of natural rubber latex, printed on an elastic knitted fabric. The result is a very stretchable material with the looks and touch of latex on the outside and the softness and comfort of the stretchy fabric on the inside.

Datex is comfortable to wear, it has that exciting look of latex, but not the disadvantage of being sticky and sweaty. It is easy to put on or take off without any additional dressing aids or conditioners. Datex provides great comfort, softness and flexibility, and at the same time the fetish look and touch that make latex so unique and appreciated.
