

GP DATEX CROSSED BACKSTRAP DRESS

This Datex mini dress in shiny black has double shoulder straps that are crossed at the back and attached to the dress with square metal rings. The cups have extra seams for good fitting and to emphasize the cleavage. Combinable with other Guilty Pleasure items for an amazing outfit.

Datex is a revolutionary material made of natural rubber latex, printed on an elastic knitted fabric. The result is a very stretchable material with the looks and touch of latex on the outside and the softness and comfort of the stretchy fabric on the inside.

Datex is comfortable to wear, it has that exciting look of latex, but not the disadvantage of being sticky and sweaty. It is easy to put on or take off without any additional dressing aids or conditioners. Datex provides great comfort, softness and flexibility, and at the same time the fetish look and touch that make latex so unique and appreciated.
