

## GP DATEX ZIP-UP HALTERNECK DRESS

This black Datex mini dress from the Guilty Pleasure Fetish Wear collection has halter cups with an elastic strap in the neck. The dress closes with a 2-way zipper, so it can be opened from the top down or from the bottom up which is particularly nice in playful and naughty situations. Elastic lining at the back and extra seams at the front ensure a good tight fit.

Datex is a revolutionary material made of natural rubber latex, printed on an elastic knitted fabric. The result is a very stretchable material with the looks and touch of latex on the outside and the softness and comfort of the stretchy fabric on the inside.

Datex is comfortable to wear, it has that exciting look of latex, but not the disadvantage of being sticky and sweaty. It is easy to put on or take off without any additional dressing aids or conditioners. Datex provides great comfort, softness and flexibility, and at the same time the fetish look and touch that make latex so unique and appreciated.
