

GP DATEX TEDDY WITH LACE TOP

This black Datex body has lace panels on the hips and at the back. The lace halter cups are tied in the neck with a clip. On the backside are 4 spaghetti straps that complete the look of this body. Show your back, show your bottom with this low cut body. Combinable with other Guilty Pleasure Fetish Wear items such as pants, skirts and jackets, for the most amazing outfits.

Datex is a revolutionary material made of natural rubber latex, printed on an elastic knitted fabric. The result is a very stretchable material with the looks and touch of latex on the outside and the softness and comfort of the stretchy fabric on the inside.

Datex is comfortable to wear, it has that exciting look of latex, but not the disadvantage of being sticky and sweaty. It is easy to put on or take off without any additional dressing aids or conditioners. Datex provides great comfort, softness and flexibility, and at the same time the fetish look and touch that make latex so unique and appreciated.
