

GP DATEX & LACE CUT-OUT TEDDY

This Datex body with semi-transparent lace halter cups has long elastic straps that cross at the back and close at the front with a clip. The same lace is used in the low cut bottom of the body, where it shows the hips and buttocks. A great combination of soft lace, shiny black Datex and a revealing design, made by Guilty Pleasure.

Datex is a revolutionary material made of natural rubber latex, printed on an elastic knitted fabric. The result is a very stretchable material with the looks and touch of latex on the outside and the softness and comfort of the stretchy fabric on the inside.

Datex is comfortable to wear, it has that exciting look of latex, but not the disadvantage of being sticky and sweaty. It is easy to put on or take off without any additional dressing aids or conditioners. Datex provides great comfort, softness and flexibility, and at the same time the fetish look and touch that make latex so unique and appreciated.
