

GP DATEX LOW CUT HALTERNECK TEDDY

This Datex body with halter cups closes in the neck with a clip and on the backside with a zipper. The low cut bottom gives this design a fifties look that matches greatly with the shiny black Datex material. Combine this body with other items from the Guilty Pleasure Datex collection such as pants or skirts for a complete outfit.

Datex is a revolutionary material made of natural rubber latex, printed on an elastic knitted fabric. The result is a very stretchable material with the looks and touch of latex on the outside and the softness and comfort of the stretchy fabric on the inside.

Datex is comfortable to wear, it has that exciting look of latex, but not the disadvantage of being sticky and sweaty. It is easy to put on or take off without any additional dressing aids or conditioners. Datex provides great comfort, softness and flexibility, and at the same time the fetish look and touch that make latex so unique and appreciated.
