

### GP DATEX MAID'S DRESS BLACK/WHITE

The Guilty Pleasure Datex maids dress has a white panel at the front side between two black side panels, and is decorated with a black bow at the cleavage. The spaghetti straps are elastic and the dress closes with a zipper at the back side. This Datex mini dress is ideal for role play with its irresistible shiny and tight latex look.

Datex is a revolutionary material made of natural rubber latex, printed on an elastic knitted fabric. The result is a very stretchable material with the looks and touch of latex on the outside and the softness and comfort of the stretchy fabric on the inside.

Datex is comfortable to wear, it has that exciting look of latex, but not the disadvantage of being sticky and sweaty. It is easy to put on or take off without any additional dressing aids or conditioners. Datex provides great comfort, softness and flexibility, and at the same time the fetish look and touch that make latex so unique and appreciated.
