

GP DATEX LONG SLEEVE DRESS BLACK

This long sleeved short dress from the Guilty Pleasure collection has a 2-way zipper all over the front side, from the turtle neck until the bottom hem. The mini dress has shape providing seams, highlighting the body curves. The black latex on the highly elastic knitted fabric follows the body tightly and the shiny latex gives it a fetish appearance. The stretchable and flexible Datex material provides great wearing comfort.

Datex is a revolutionary material made of natural rubber latex, printed on an elastic knitted fabric. The result is a very stretchable material with the looks and touch of latex on the outside and the softness and comfort of the stretchy fabric on the inside.

Datex is comfortable to wear, it has that exciting look of latex, but not the disadvantage of being sticky and sweaty. It is easy to put on or take off without any additional dressing aids or conditioners. Datex provides great comfort, softness and flexibility, and at the same time the fetish look and touch that make latex so unique and appreciated.
