

GP DUTEX & MESH HALTER BODY

Tight and shiny, sexy but comfortable and stretchy, that is Dutex. It is the perfect material for a body like this, showing your curves, bare shoulders and back, and making your legs look long. It has a string cut, and a sophisticated mesh panel that is attached to the Dutex collar. The body closes with a button in the neck and a zipper at the back side.

Dutex is a revolutionary material made of natural rubber latex, printed on an elastic knitted fabric. The result is a very stretchable material with the looks and touch of latex on the outside and the softness and comfort of the stretchy fabric on the inside.

Dutex is comfortable to wear, it has that exciting look of latex, but not the disadvantage of being sticky and sweaty. It is easy to put on or take off without any additional dressing aids or conditioners. Dutex provides great comfort, softness and flexibility, and at the same time the fetish look and touch that make latex so unique and appreciated.
