

## GP DATEX & MESH TOP

This seductive crop top with short sleeves is made of shiny black Datex material, with strategically placed mesh panels and a keyhole at the cleavage. Stretchy and easy to put on or take off. Combine it with the Datex & Mesh shorts for a complete and great outfit.

Datex is a revolutionary material made of natural rubber latex, printed on an elastic knitted fabric. The result is a very stretchable material with the looks and touch of latex on the outside and the softness and comfort of the stretchy fabric on the inside.

Datex is comfortable to wear, it has that exciting look of latex, but not the disadvantage of being sticky and sweaty. It is easy to put on or take off without any additional dressing aids or conditioners. Datex provides great comfort, softness and flexibility, and at the same time the fetish look and touch that make latex so unique and appreciated.
